## Policy for Events with Alcohol

### Philosophy

---

The Greek Life Office at the University of Georgia supports a quality social life that enhances a positive living and learning environment **PRIORITIZING THE HEALTH, SAFETY AND WELLBEING OF MEMBERS**. It is our shared responsibility, as members of the community, to ensure that settings in which our members and guests socialize are safe, responsible and demonstrate a community of care.

### Requirements to Host Events with Alcohol

---

The chapter must be recognized by and in good standing with the University at the time the event is scheduled to take place.

If the chapter organization is affiliated with a national/international organization whose risk management policy is stricter than University policy in whole or in part, the chapter must follow the more restrictive policy or provision.

In addition to the Policy for Events with Alcohol, chapters must follow the policies below:

- [University of Georgia Code of Conduct](#)
- [Noise and Disturbance Ordinance \(3-5-24\)](#)

Groups may not host events with alcohol beyond Reading Day each semester or during exams.
