## FOR IMMEDIATE RELEASE

### Delta Phi Epsilon at the University of Georgia to Begin Renovation on Milledge Ave House

PHILADELPHIA, PA — Delta Phi Epsilon, Psi chapter, at the University of Georgia (UGA), has contracted DSI Construction to begin renovations on historic Milledge Avenue house. A groundbreaking ceremony will be held on March 31, 2023 at 1 pm.

“To find a partner like DSI to expand our beautiful home on Milledge is exciting. Working with our local architects, Arcollab, we were able to move efficiently through the bidding process. To secure a partner like DSI, brings a certain legitimacy to our project that has many historic ramifications for sorority row. This team of experts is ensuring our expansion fits within the expectations of sorority row, while bringing forward more space for our growing chapter at UGA.” says Delta Phi Epsilon Executive Director Nicole DeFeo.

For 15 years, DSI has utilized state-of-the-art techniques and has committed to maintaining excellent service and product delivery. They are known for notable local projects such as constructing the UGA Journalism building, the historic renovation of Memorial Hall, and many other UGA fraternity and sorority ventures.

The renovations to 398 S Milledge Ave will be extensive, including expanded sleeping quarters, handicap-accessible parking and entrance, and a modern commercial kitchen, all while preserving the historical profile of the structure on Milledge.
