Love for Nashville event hosted by Kappa Alpha Theta

ATHENS, GA., — On Tuesday, April 4, 2023, the Gamma Delta chapter of Kappa Alpha Theta hosted an event called "Love for Nashville" in light of the March 27 shooting at the Covenant School in Nashville, TN.

“Love for Nashville” was intended to raise awareness, create conversation and spread love towards the children affected by this tragic event.

Theta provided free lemonade on our front lawn and invited members of the Greek Life community and beyond to come show support by making bookmarks and cards that were to be delivered to the children of the Covenant School.

Claire Cherry, a junior from Nashville who serves as Theta’s Service Director was one of the primary coordinators of the event. She said, “It truly meant the world to me that not only Theta, but so many other chapters in the Greek Life community were so willing to help in any way they could to provide love and support to a community that needed it.”

We had a fantastic event turnout and are thankful to use our sorority and our members as a catalyst for positive community change. Over 250 customized bookmarks and cards, which adorned encouraging and inspiring messages for students, were made by the event attendees. Our Nashville members then delivered them to the Covenant School over Easter weekend.
