Mu Chapter (Georgia) Receives Rock Chapter Award

Lexington, Va. – Sigma Nu Fraternity is pleased to announce that Mu Chapter at the University of Georgia was honored with the Rock Chapter Award for the 2021-2023 biennium. The Fraternity salutes the men of Mu Chapter and the 20 other recipients of this distinguished award as exceptional chapters of Sigma Nu Fraternity whose overall operations have sustained a level of excellence for the past two or more academic years.

The [Rock Chapter Award](#) is meant to honor collegiate chapters that have achieved excellence in all areas of chapter operations. To be granted the award, a chapter should be expected to attain an ideal or a nearly perfect state across a broad range of areas of operations as measured by the Fraternity's [Pursuit of Excellence Program](#). Rock Chapters are expected to maintain a state of excellence for a consistent period of two-plus years.

The 2023 recognition marks Mu Chapter's eighth consecutive Rock Chapter Award. The Chapter comprises 153 collegiate members with a collective 3.43 GPA. 100% of members are involved in other campus organizations, with 19% holding leadership positions in those organizations. Members contributed \$206,254 to charitable causes and averaged 19 hours of community service over the past year. The Chapter was recognized by its local campus with Interfraternity Council awards for Alumni Involvement, Best Chapter Philanthropy, and as Chapter of the Year.

Sigma Nu wishes Mu Chapter success in its future endeavors and hopes it will continue to proudly represent the Fraternity's mission, values, and principles through its honorable conduct.
